

Dri-Plate Replacement kitchen Cupboard Door Hinge

ELIMINATE COSTLY REPAIRS!

ELIMINATE COSTLY CARCASS REPLACEMENTS!

Adjustable hinge support brackets neatly and securely cover the damaged carcass area enabling doors to be easily re-hung. Manufactured in white powder coated steel, and supplied in pairs, complete with fixings.

Carcass brackets also available for 'lift-off' type.

We will not be beaten on like for like price as a particular company has copied our product
